## ***We're Back! Exciting News from NYC 2030 District*** ( Producers of the Heat/Cool Smart Brooklyn Campaign )

**Dear Property Owner,**

**We hope this message finds you well. We are thrilled to announce that NYC 2030 District (NYC2030) is launching an initiative to help implement energy retrofits to NYC buildings.**

NYC2030, a non-profit climate partnership, is a Service Provider with the NYC Accelerator. We are a team of experienced consultants and contractors able to perform the full range of building energy improvements. NYC2030 will act as owner's rep or project facilitator for your project, in coordination with the NYC Accelerator. Our organization will help your property to comply with Local Law 97; achieve energy efficiency, electrification and renewable energy improvements; and arrange incentives and financing benefits. NYC2030 will work with you from the start to the completion of your energy retrofit.

Here's a link to our NYC Accelerator profile:

[https://accelerator.nyc/contractor?combine=NYC2030&sort\\_bef\\_combine=random\\_ASC](https://accelerator.nyc/contractor?combine=NYC2030&sort_bef_combine=random_ASC)

Please let us work to improve health and comfort for your building's occupants, and save energy and operating costs for your Multi-Family, Mixed Residential-Commercial or Commercial property.

NYC2030 and our partners provide important resources, enabling community benefits, promoting public education and improving property values for our stakeholder partners. With your participation, we are helping NYC properties make strides on the path to decarbonization.

- **New Federal IRA Tax Credits add to State, City and Utility Incentives for:**
  - Building Energy Audits
  - Insulation and Weatherization
  - Heat Pump Heating & Cooling + Hot Water
  - Onsite & Community Rooftop Solar
  - Battery Storage
  - Building Energy Controls
  - Energy Efficiency for Commercial Buildings

See our website, in the process of being updated, <https://2030districts.org/newyork/> for more details about our programs, events, and how you can join and contribute to NYC2030.

**Look for Announcements on Upcoming Events, Webinars and Opportunities.**

Thank you for your support of NYC 2030's climate mission. We are eager to create an even greater impact. Together, we can make a positive difference for our community and the planet. We look forward to reconnecting with you and welcoming new supporters as we embark on this exciting new chapter.

***For help with your energy retrofit project please contact us at: [info@nyc2030.org](mailto:info@nyc2030.org)***

Best Wishes,

The NYC2030 Team
