

Welcome to the Neighborhood

The NoHo Business Improvement District (BID) is a non-profit organization of property owners, commercial tenants, residents and officials working to improve NoHo's quality of life and promote its economic and cultural vitality.

Since our founding in 1996, the NoHo BID has invested in the building of a cleaner, safer and more attractive community. We also serve as a resource to connect businesses to New York City Government services. These services include relationships with the NYPD, and City agencies like Sanitation, Transportation, Landmark Preservation and more...

The NoHo BID provides the following services:

- Street Cleaning and Graffiti Removal
- Neighborhood Marketing and Events
- Public Improvements and Streetscape Beautification

We are excited for you to be a part of the lively community that is NoHo. The BID is here to be a resource for you and your business. Do not hesitate to reach out to us if you have any questions or want to learn more about ways he can help your business live up to its fullest potential.
